The Bishop Alemany Debate team travelled to San Francisco over the President's Day weekend to compete in the Cal-Debate Invitational Tournament

"No worries, leave it to us" said the freshman team of Pascual Varni and Mark Walther as they stepped up and carried the Alemany banner into battle. The Varni/Walther team was the most successful of the Alemany duos as they were able to advance to third level of rounds. Also delivering an all-star performance was sophomore Bianca Walters. The travelling team consisted of Julia Walther, Melanie DeGuzman, Bobby Littrel, Brendan Varni, Adriana Estrada, Aton Jemiolo, Pascual Varni, Mark Walther and Bianca Walters. In addition to competing, the team was able to do some sightseeing and visited Fisherman's Wharf, the Golden Gate Bridge, Haight-Ashbury, China-town and Solvang.

LOCKS OF LOVE

The students of Bishop Alemany High School held a pony tail drive on November 24th, 2008. The event was organized by student, Veronica de la Cerda, and teacher, Julie Schadek. We were able to get 62 girls, 1 boy, 1 coach, and 1 teacher to donate 64 total pony tails. The pony tails totaled more than 700 inches of hair. If the pony tail was longer than 10 inches, it was donated to Locks of Love. If it was between 8 and 10 inches it was donated to Pantene Beautiful Lengths.

We had 8 volunteer stylists from local salons come to cut hair. Each student was called to the dining hall for their appointment. Once they arrived they met with a stylist and discussed how much hair they wanted to cut. Their hair was pulled into a ponytail and cut. They stylist then gave the student a hair cut that they could proudly wear back to class.

There was such a "buzz" around the school on the day of the event. Many students are talking about next year and have already committed to growing out their hair. Next year's event will be scheduled shortly after the Homecoming dance in the fall. Thanks to all the volunteer stylists and thanks to all the students who cut their hair for this great cause!

ALEMANY DRAMA DEPARTMENT PRESENTS: "THOROUGHLY MODERN MILLIE"

"Thoroughly Modern Millie", is a Tony Award winning musical, based on the 1967 film of the same name. It tells the story of a small-town girl, Millie Dillmount, who comes to New York City to marry for money instead of love – a thoroughly modern aim in 1922, when women were just entering the workforce. Millie soon begins to take delight in the flapper lifestyle, but problems arise when she checks into a hotel owned by the leader of a kidnapping ring in China and they try to capture her!

The gala Alemany opening night is April 24th, with additional performances April 25, 26, 30, and May 1,2,3. All evening performances, curtain at 7:30 and the Sunday matinees, (April 26 and May 3), curtain at 2pm.

Tickets are \$15.00 for adults, \$7.50 for Senior Citizens, Children under 12 and Students from other schools, with ID. Alemany students are Free!

We need all parents of Freshman, Sophomores, Juniors and Seniors to help keep the 13 year tradition going for when your student becomes a Junior or Senior. If they aren't one already. We need your help decorating prior to Post Prom, the day of and during the evening. Parent Service hours can be earned by helping. We are also in need of donations of prizes to give away such as food certificates, movie tickets, amusement parks, sport events, gas cards, sporting goods, and items that teenagers would like to win. We thank our Luncheon Committee for a wonderful lunch to celebrate our Teachers and Staff.

Attention Parents and Friends: Come "Donate Blood and Save a Life"

The Parent Association will be sponsoring a BLOOD DRIVE on Tuesday, April 28 from 3pm until 8pm in Alumni Hall. Most people don't realize that blood is very expensive medical product, sometimes over \$300 a pint. We have partnered up with Providence Holy Cross to sponsor this day. We have blood drives every year on campus for our seniors to donate to help others in need. Now, it is time for the PARENTS to help what we have educated our students in, to give to others in need. This will also be a way to earn parent service hours. Two hours will be given for each pint of blood do-

MARCH AND APRIL PARENT ASSOCIATION MEETINGS

Come hear "Who is this crazy person masquerading as my teenager?"

The Parent Association is having a guest speaker at our Wednesday, March 4, Parent Association Meeting at 7pm in Alumni Hall. Kent Toussaint will be speaking on "Who is that crazy person masquerading as my teenager?", understanding your adolescent, and communicating with our teen along with other topics on your teen. One parent service hour per family will be given for attending.

Come hear "Seven Way to Slash College Costs"

The Parent Association is having a guest speaker at our Wednesday, April 1, Parent Association Meeting at 7pm in Alumni Hall. Brian Safdari of College Planning Experts" will speak to the Parent Association. Brian has been educating parents about what to do if they haven't saved enough money to pay for college.

Brian has worked with over one thousand families in the last 5 years, ranging from single parents to corporate CEO's and he swears he can help anyone get through the process and save a bundle, no matter how much money they make. Parents often make mistakes on the financial aid paperwork that cost them money.

He will discuss everything from the college choice process, to how to send your student to a fancy private school for less than the cost of a community junior college.

FR. NORM'S NOOK

Dear Alemany Family:

This is the first time that I call us "family." That is because more and more we are becoming united in our efforts for the young people that we serve. I have always been impressed with so many individuals who have shown tremendous care for the students, but now there is a more a sense that we are working together. We still need to grow a lot, but a lot of growth has taken place. It is not an easy task since there are so many of us with so many components: parents, students, teachers, staff, etc. During this time of Lent we are called to be more giving. I pray that it will be a time for us to continue to grow and become truly a caring "family."

Your Chaplain,

Fr. Norm Supancheck

The Bishop Alemany Team consists of: Therese Makhoul, Jonny Jollota, James Grinnell, James Guzman, Alex Jardini, Paolo Salomon, Christian Estrada, Jessica Leitao and William Chang.

Congratulations to the Bishop Alemany Team – YOU DID US PROUD.

ALEMANY COMMUNITY HELPS NYASEME WOMEN GROUP'S DAIRY PROJECT

Mr. Tim Peeters (Mathematics Department Chair) received an email from Mrs. Felgona Ouko, the head of the Nyaseme Women Group, thanking the Alemany Community for helping several families in Kenya, Africa. Mr. Peeters and his wife organized a collection that was originally intended to buy a biogas cooker for the group. The support was more than expected, and with all the donations the group was able to buy not one but two stoves and, in addition, two dairy cows as well. This will allow two families (of up to seven people each) to now have fuel for cooking by being able to use cow dung instead of wood. In addition the cows will produce more milk than the families will use and they will be able sell the surplus.

Mr. Peeters and his wife believe by supporting them the Alemany Community contributed not only towards the improvement of their economic situation and their quality of life but also supported Women's rights in the third world, as well as reducing the destruction of the environment through deforestation
