

WELCOME BACK TO SCHOOL

CLASS OF 2021

AGENDA

- Prayer and Introduction by Dr. William C. Hambleton, Ed.D., President
- Ensuring Student Success during Remote Distance Learning
- Healthy and Safety Protocols during In-Person Hybrid Learning
- Athletics
- Questions and Answers
- Calendar of upcoming events
- Thank You

ENSURING STUDENT SUCCESS DURING REMOTE DISTANCE LEARNING

- Synchronous teaching on Zoom
- All classes will be live-streamed when we return to in-person hybrid learning with remote students having the ability interact in real time with their teachers
- Tutoring times are optional for the student except for Honors and Advancement Placement courses (*or at the discretion of the teacher with advanced notice*)
- Dress code policy will be strictly enforced
- Scheduled events for Wednesday after school

HEALTH AND SAFETY

- Optimize classrooms to hold sixteen students with clearly marked teacher and student zones
- Temperature checks will be conducted for everyone arriving on campus
- Masks will be required everyone on campus, except when eating and/or drinking
- Students must bring their own masks
- Hand sanitization stations prominently located throughout the campus
- Outside eating areas will be reconfigured to accommodate social distance protocols and public health guidelines

STUDENT EXPECTATIONS

- Attendance will be taken each period for students who are on campus and online; absence for an online class is the same as an absence in person
- Students marked absent if they arrive 20 minutes after class begins
- Three tardies equals an absence and twelve absences will result in a student not receiving credit for the class
- Parents are expected to contact the school if their student will be absent (whether in person or online)
- In addition to regular behavioral expectations, students will incur disciplinary sanctions for not wearing masks and/or violating public health guidelines and social distancing protocols established by the school

ATHLETICS

- Safety of our student-athletes and coaches is our top priority
- Traditional format for all fall, winter, and spring sports with each season being 72 days
- Temperature checks and screening will be taken prior to each practice
- Summer-time rules extended until December
- Practices will resume with social distancing protocols on September 8
- Outdoor conditioning only
- Athletic Department Parent Zoom call with Mr. Urbach on September 13 at 6:00 PM

QUESTIONS AND ANSWERS

- Personal questions or specific inquiries about a student should be asked directly to Mr. Domingo at rdomingo@alemany.org
- To schedule an appointment for Mr. Domingo, please email Mrs. De Santiago at cdesantiago@alemany.org
